

GB Conformity of Production Initial Assessment

VCA as the Type Approval Authority for Great Britain has conducted an assessment of the quality systems and the relevant control plans to verify that suitable arrangements exist to control production in order to permit the issuance of GB type approval when using the assembly plants listed below. The subjects cleared as part of this assessment are identified with a "Yes" in the list of legislation.

Further assessments will be required to grant a Conformity of Production certificate.

This Initial Assessment is issued to:

SPECTRA SPECIALIST ENGINEERING LTD

General Information

- For vehicles classified as special purpose vehicle (SPV), clearance to stated subjects will be using dispensations contained within SPV annex of the legislation
- Initial assessment covers assembly plants listed. Additional sites may be covered by alternative statements

Please note:

This Initial Assessment is issued by and is the property of the Vehicle Certification Agency, 1 The Eastgate Office Centre, Eastgate Road, Bristol BS5 6XX, UK and is to be returned on formal request

It is the responsibility of the approval holder to notify the VCA Conformity of Production department of any changes that may affect this assessment. Not doing so could result in delays to receiving approval certificates or compliance statements from VCA.

Items needing addressing prior to Certification Audits

- 1. No recall process established. This should include reference to the DVSA Recall guide.
- 2. There is no evidence of training related to Type Approval or the production of CoCs.
- 3. No robust process has been established for the monitoring of legislation as part of Change Control.
- 4. No consideration has been given to Administrative changes within Change Control.
- 5. No Type Approvals Withdrawal process has been established.
- 6. No process for retaining CoP records relating to Identifying Economic Operators has been established.
- 7. No process for producing duplicate CoCs has been established.
- 8. No process for providing RMI has been established.
